Sir

Adverting to Government Order No.2936/Muz.107-14 dated the 19th June 1915 forwarding for disposal, or report, if necessary, a petition of Venkata~~krishnaiya~~ramiah of Hirekathur in the Tarikere Taluk praying that the chattram on the Tarikere-Shimoga road built by his father and endowed with Inam lands may be restored to him, as the same has not been well maintained &c., I have the honour to state as follows:-

1 It is seen from the records that Mr.B.Ramaswamiah Sub Division Assistant Commissioner, Kadur, who inspected the -- Chattram on the 17th July 1917 reports that the building in question is in a very neglected condition and the lands endowed to the -- Institution are also lying fallow for want of proper care. A sum of Rs.12/- is being realized annually by the sale of the right of grazing which amount is hardly sufficient to maintain the charity founded by late Hirekathur Narasappa after meeting the Jodi &c., payable to Government.

2. As the sons of late Narasappa were unableto keep up the charity founded by their father, the chattram with its Inam lands was made over to the Sri Akshobyathirthaswami Matt as per Government Order No.1207-10/L.R.505-09-4 dated 25th August 1910 subject to the condition that the building is put into a proper state of repairs and kept available for occupation by travellers. Neither Akshobya Thirthaswami nor his agent Hanumantha Rao ever took

took trouble to repair the building as contemplated in the above Government order.

3. On the other hand, the agent Hanumantha Rao misappropriated the realizations derived from the lands and when he saw that he could no longer derive any profit without much exertion he allowed the lands to lie waste.

4. In the above circumstances, the Sub Division Officer recommends the levy of full assessment on the inam lands from the Matt or its Agent Hanumantha Rao from the date the lands were put into the possession of the Matt, to the end of June 1917 and further suggests the advisability of resuming the inam lands endowed to the institution and the disposal of the chattram by public auction, as it is in his opinion not of much use to the travellers.

5. The sons viz., the petitioner Venkataraniah and his brother Rangiah of the late founder of the chattram have executed a mutchalika to the effect that they would rep ir the building within one month from the date of restoration of the institution and its endowments to them and make the chattram suitable for the use of the travelling public.

6. As it would be unfair to resume the lands already endowed for a charitable purpose, I would request you to obtain the sanctionof Government for the restoration of the institution together with its endowments to the petitioners, on condition that the chattram should be repaired and made available for the resort of the travellers within three months from the date of its restoration to the petitioners.

Sir,

With reference to your letter No.1330/ Muz.285-17-9 dated 29th October 1919 forwarding for my perusal original report No.11/360 dated 18th August 1919 from the Agent of Sri Akshobhya Thirthaswami Matt at Kudli Shimoga Taluk and requesting me to inspect the Chattram and submit a report on its present condition with an expression of my opinion as to the expediency either of leaving the chattram in the hands of the Matt or of -- restoring it to the sons of Narasappa, I have the honour to state that I inspected the chattram building and the Inam lands of Paramenahally on the morning of the 18th November 1919 in the presence of the two sons(Rangaiya and Venkataramaiya) of the deceased donor Narasappa and of the villagers of Paramenahally within which the building is situated and of the neighbouring village ~~Bilihalli~~ Bellavala. The building whether ~~xxxxx~~ left to the Mutt or restored to the sons of the deceased has ceased to be of any use for the purpose for which it was intended, at any rate since the opening of the Railway from Birur to Shimoga and the tram line from Tarikere to Narasimharajapur. It is situated at a distance of 2½ miles from Tarikere on the road to Shimoga close to the Hirekathur lower anicut and

might

67

might have been of use to travellers proceeding to Lakkavalli from Shimoga as by a halt there, they were spared the trouble of going to Tarikere which meant going two miles further on from the branch road and retracing the same distance. Now however, the journey is performed by rail or tram and no traveller thinks of going to that building. At the time of my inspection it was occupied by a few mahomedan families who had vacated Tarikere on account of plague.

2. No attempt whatever seems to have been made to keep the building in repair ever since the same was handed over to the Mutt or to bring under cultivation the lands granted as Inam. They continue to remain ~~fallow~~ Baujar and are used by the villagers for grazing their cattle.

3. It seems to me that it serves no useful purpose to retain the chattram as a charitable institution or continue the grant of lands as Inam and I would therefore propose the lands be resumed to Government and made available for disposal under the darakhast rules.

4. As for the building, the representatives of the donor Narasappa, Viz., his sons Rangappa and Venkataramaiya and his grandson Venkataraya say that it may be sold and the proceeds handed over to them for being utilised for some charitable purpose Viz., feeding the public on some Car Festival day at Tarikere or Sompur. The petition presented by them to me on the 18th November 1919 and the statement made by them before the Amildar of Tarikere on 5th December 1919 are herein enclosed. The building may, as suggested by them, be sold and the proceeds invested with a view to the interest accruing thereon being utilized for feeding the public on the occasion of a Rathothsava in Tarikere or Somapura.

5. I may add that the Akshobhya Thirtha Mutt has no agent living in Paramenahalli. It has some lands in that village and once a year or so, somebody on behalf of the mutt comes and collects the rent thereof. The Chattrum building

building will then be convenient for his occupation, as the village itself is a small one consisting of about half a dozen huts and affords no accommodation for him. It may be in view of this that the Mutt is offering to keep the building in proper condition.

7. The file of vernacular papers received with your letter under reply and the Mutt's report are herewith retransmitted.

Sir,

With reference to your letter No.2221/Muz.Loc 17-4 dated 23rd January 1920, stating that the Swami of the Sri Akshobhyathirthaswami Matt at Kudli is willing to put in order within 6 months Narasappa's Chowltry at Hirekathur in the Tarikere Taluk, and calling for a report at the end of July 1920 as to the result of the action taken, I have the honour to state that the contents of the Government Order were communicated to the Agent of the Matt on the 29th March 1920 and he wrote back to the Taluk Office on 12th July 1920 that "tile shifting work" and "some earthwork" had been done to the building, that as he fell ill, no further progress could be made and that owing to the difficulty of procuring labor during the rainy season which had commenced, he wanted time till the end of December next to complete the repairs. The Sheikdar on inspection of the building on receipt of the above Yadi from the Agent, found that no work had been done to it.

P.2.

2. It appears that the Agent only wants to keep the Inam lands without the least intention of carrying out the condition under which he can do so, as per Government Order No.--R.1207-10/L.R.505-09-4 dated 25th August 1910. It is nearly ten years that the Chattram building and the Inam lands were ordered to be made over to the Matt subject to the condition that the building should be put into a proper state of repairs and kept available for occupation by travellers; but the Matt has done nothing to keep the building in repair. The repairs as estimated in June 1918 cost Rs 660/- and now after the lapse of two years the cost must be more. It seems to be vain to expect the Matt to carry out repairs at such heavy cost and I would therefore urge for orders being passed on the proposals contained in my letter No.138 dated 18th December 1919. The inam lands(Survey Numbers 25 and 26 of Paramenahalli and survey No.57/4 of Hirekathur) bear a survey valuation of Rs 60-0-0 and are in the possession of the Matt on a light assessment of Rs 7-12-0. They are uncultivated. They may be resumed and made available for disposal under the darakhast rules. The building may be sold and the proceeds thereof utilised as suggested in my letter referred to above.

3. The file of vernacular correspondence ending with the Tarikere Sub Division Assistant Commissioner s Yadi No.S.O.C 991/18-19 dated 10th August 1920 is herewith submitted for kind perusal and return when done with.
